

We are looking forward to summer at Galena Lodge!

We open on June 13th with new hours: Lodge = 9:00 am to 5:00 pm everyday, Lunch = 11:00 am - 3:30 pm, Sunday Brunch Menu = 9:00 am to 3:30 pm

We need your help:

- We are asking our guests to please abide by our requests during your visit to the lodge. We want to keep everyone as healthy as possible!
- Please do not visit Galena if you are experiencing any COVID-19 symptoms or have been exposed in the past 14 days
- Wear a mask indoors and respect social distance guidelines by staying 6 ft apart.
- Wash or sanitize your hands before entering the lodge, after using the bathroom, touching your face, using your table, or touching high traffic areas.
- If possible, plan to sit outside and either order from the Dog Deck window or send one person from your party inside to order. Don't forget an extra jacket in case the weather changes!
- No more than three customer in the bike shop at a time.
- Please understand that these guidelines may change at any time.
- Please be patient and kind with our staff, each other, and really everyone!

What is going to be different?

- We are increasing spacing to 6 ft between our indoor and outdoor tables
- We are asking that people sit with their own group or party and do not share tables
- We are not offering self service for coffee, soup, or water
- We will only offer condiments upon request
- We are sanitizing high traffic areas regularly throughout the day
- We will be offering outside ordering from the dog deck window if you are not comfortable coming into the lodge
- Our front of the house staff and shop staff will be wearing face masks
- We will have plated rather than buffet BBQ dinners (private groups can book the wagon ride with the corrals)
- Our staff will self isolate for 14 days if they show any COVID-19 symptoms or if they have knowingly been exposed to someone who tested positive
